# **ROWS GARDEN #10**

Each Row of this garden contains two answers reading from left to right (except Rows A and L, which contain one answer reading across the nine protruding spaces). Bloom clues are divided into three lists, Light, Medium, and Dark; the answers from each list should be placed in the appropriately-shaded hexagons, starting in any space and reading clockwise or counterclockwise. All three Bloom lists are in random order, so use the Row answers to determine where to plant each Bloom.
